RE: ~~Docket No. 03-00549~~ -- Application for Certificate to Resell Private Line Services in the State of Tennessee by TSI Telecommunication Network Services, Inc.; Notice of Name Change of TSI Telecommunication Network Services Inc. to Syniverse Networks, Inc.

To Whom It May Concern:

TSI Telecommunication Network Services, Inc. was granted provisional authority to resell private line services on December 2, 2003 by the Tennessee Regulatory Authority; Docket No. 03-00549. TSI Telecommunication Network Services, Inc. has decided to change its corporate name to Syniverse Networks, Inc., no other aspect of our business changed and we have no plans to do business by any other name.

Consistent with TRA Rule 1220-4-1-.08, attached please find our filing with the Secretary of State, our revised Surety Bond reflecting the name change, our revised information tariff reflecting the name change, and a press release provided to our customers. For your reference, we currently have no customers purchasing intrastate private line services in Tennessee. Please review this information, I am available to answer any questions or provide additional information. I believe this information satisfies Commission requirements to facilitate our name change. Again, please let me know if you require any additional information.

Sincerely,

SECTION 3 - PRODUCT DESCRIPTION AND RATES**3.1 INDIVIDUAL CASE BASIS (ICB) ARRANGEMENTS**

SYNIVERSE negotiates prices for Private Line Services on an Individual Case Basis **(ICB)**. Private Line services will be made available to customers in a non-discriminatory manner. Rates for interexchange and local exchange dedicated access, private line, and non-switched services will be determined on an Individual Case Basis (ICB). ICB rates will be structured to recover the Company's cost of providing the services and will be made available to the Tennessee Regulatory Authority Staff upon request on a proprietary basis. ICB rates will not be used for switched services.

Pricing and service guarantees are supplied to the customer in accordance with agreements or contracts negotiated with underlying carriers along with the pertinent regulations of the underlying carrier, including the following:

- AT&T Communications Tariffs FCC No. 9 and No. 11
- AT&T Contract Tariffs No. 3 and 151
- MCI WorldCom Tariffs FCC No. 1 and No. 8
- The MCI WorldCom Special Customer Arrangement between MCI WorldCom and SYNIVERSE
- Sprint Tariffs FCC No. 7 and No. 8
- Sprint Bulk Service Arrangement between Sprint and SYNIVERSE
- Qwest Tariffs FCC No. 1 section 7.10 Private Line Transport Services

Mileage and service type will also be included to determine price. A circuit price will be negotiated with our customers prior to ordering any service. An executed nondisclosure agreement (NDA) must be in place before SYNIVERSE can provide circuit pricing. Billing starts on the date the circuit is in service or "turned-up."

FOR IMMEDIATE RELEASE

TSI Telecommunication Services Inc. Announces Corporate Name Change To Syniverse Technologies

News Summary: TSI changes company name and brand identity to reflect growing demands of the global technology market

Tampa, FL – March 1, 2004 – TSI Telecommunication Services Inc (TSI), a global communications technology company, announced today it has changed its corporate name to Syniverse Technologies, Inc (www.syniverse.com), effective immediately. The change in corporate name was made to better reflect the company's overall strategy to more clearly define its presence in the global technology sector and to broaden the company's strategic direction. The name Syniverse is inspired by a "universe of synergy" and speaks to the company's role as a global catalyst for meaningful connections

Additionally, Syniverse Technologies unveiled their new corporate brand and logo as part of the company's international advertising campaign. The new company logo – the Syniverse Spark – represents the potential for innovation and ingenuity.

"The name change provides us with a universal, instantly recognizable identity. We are very excited to move forward with the Syniverse Technologies name as well as a new look and feel for the company. Along with this change, we will continue to capitalize on our successes to date while realizing the Syniverse vision of global connectivity," said Ed Evans, CEO, Syniverse Technologies. "This is yet another strategic step in the evolution of the company. As we align ourselves with the advancements in the global technology market, we will continue to build our brand to extend our core purpose, values and promise as an integral part of the international telecommunications value chain."

The new corporate name positions Syniverse as a global market leader in the technology and telecommunications network services arena, and further demonstrates the company's leadership position. Syniverse led the successful

implementation of wireless local number portability in the United States by serving as the primary hub for communication between wireless carriers and the Number Portability Administration Center (NPAC), providing various elements of wireless number portability to five of the top six U.S. wireless carriers

Syniverse calls attention to the company's innovative accomplishments in enabling universal connectivity. Under the new name, the company will continue to enhance existing products as well as develop new services to address customer needs and drive industry standards with leading edge technology solutions.

Established in 1987, Syniverse's notable industry firsts include: an end-to-end suite of Wireless Local Number Portability services, INLink®, the first Signaling System 7(SS7) network to supply wireless carriers with intelligent network-based services, UniRoam®, an interstandard roaming service which allows subscribers to make and receive calls using their existing wireless number worldwide, Follow Me Roaming® which allows wireless customers to automatically make and receive calls when they travel outside of their local service areas and FraudManager®, one of the industry's first pre-call validation services.
